### PEN Gets Computer Lab

The Pentecostal Missionary Baptist Church's PEN Enrichment Center in Romulus will be receiving a free computer lab, according to local resident Robert McLachlan. The lab, which will include five computers along with all necessary hardware and software, will be funded through a grant from the nonprofit "Take One Community Program" founded by State Representative Tim Melton.

McLachlan learned of the grant's availability through Representative Doug Geiss (Taylor/Romulus), who sought his input to find a deserving recipient. After consulting with Romulus Mayor Alan Lambert, McLachlan contacted Reverend Arthur Willis, the church's pastor, to receive his approval before working to facilitate the grant's bestowal. □

## Taylor Kennedy Bowling Team, State Champ Honored

Taylor Mayor Cameron G. Priebe (back, center) congratulated Coach Mike Sarandrea (left), Assistant Coach Dan Dutcher, and members of the Kennedy High School girls bowling team on an outstanding season. Holding their proclamations from the City were: (from left) front – state champion Kenna Williams, Chelsea Moline, Samantha Cwik, Anessa Keating, Ashley Gluba and Amanda Hudak; back – Katelyn Ball and Kristen Marcis. Photo by Dave Gorgon/City of Taylor

City of Taylor officials have paid tribute to the success of the girls varsity bowling team at John F. Kennedy High School, which included a state championship by junior Kenna Williams.

Elected officials issued proclamations congratulating Williams on her Division 1 individual state title, and to the team for winning league and regional titles and finishing third in the state tournament. The proclamations were presented to the Eagles during a City Council meeting last month.

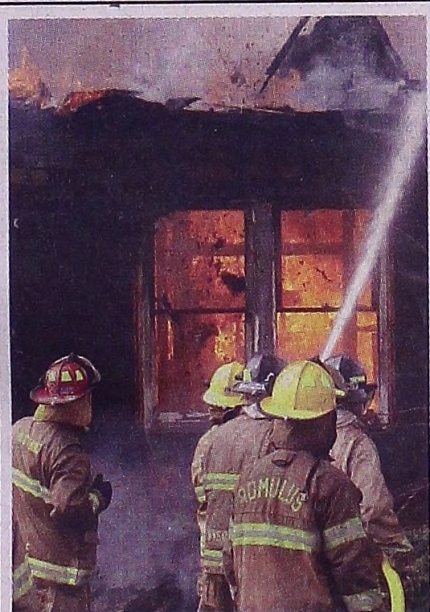

Kennedy's team, coached by Mike Sarandrea and assistant Dan Dutcher, included Williams, Kristen Marcis, Ashley Gluba, Anessa Keating, Chelsea Moline, Katelyn Ball, Amanda Hudak, and Samantha Cwik.

The Eagles lost only one time as a team all season long, won the Mega Red Conference championship, and captured the first-ever Michigan High School Athletic Association bowling regional championship in school history.

In the March 7 state finals in Muskegon, the girls advanced to the final four, where they fell short by just 12 pins to state runner-up Anchor Bay High School.

Williams, who carried a yearbook average of 160 the year before, improved to a 202 average during the high school season. In a state finals qualifying round, she bowled her personal best, 299, and in the round of 16, she added a 284. In the state finals, she beat Amanda Wiska of Walled Lake Lakeland, 204-157, to win the championship.

## Romulus Firefighters Get Hands-on Training

Firefighters got hands-on training battling a controlled-setting blaze at 35945 Herman in Romulus. Photo by R. E. Kadan

A training exercise conducted by the Romulus Fire Department on April 26 gave local firefighters a chance to hone their skills in a real-life setting.

RFD Deputy Chief Bill Wagner said that 13 firefighters from Romulus and 4 from Westland took part in the exercise, which involved battling a controlled fire set in a house located at 35945 Herman. The home's owner offered to let the department use the building for the training exercise after a previous fire had left the structure beyond repair.

The purpose of the drill was to give less-experienced firefighters a better understanding of fire behavior and techniques for extinguishing a blaze.

"We take them inside, set the fire, and let them watch it develop," Wagner explained. "They see, firsthand, how quickly the flames can move across a wall and up to the ceiling.

"It's not unusual for new firefighters to go a few weeks or even months before getting their first call," Wagner continued. "Training like this gives them a taste of what to expect when they get out into the real world, so they'll be better prepared when that time comes." □

### Town Hall Meeting on Preventing Foreclosures

### Mayor Lambert Criticized

To the Editor:

I have been a resident of Romulus for 41 years. I still remember the day I went to City hall to meet Mayor Alan Lambert. We were both walking towards the entrance when I extended my hand and introduced myself. He said, "My name is Al," and then abruptly walked into the building and into his office. He wouldn't take the time to have a conversation with me.

Imagine my shock when I opened my mail and found he sent me a birthday card. It must be an election year, as, in the past eight years, I have never received a card.

It appears that Mayor Lambert and his fiancée only stay at affairs until he gives his speech and/or pictures are taken, then leave. Even at the Michigan Department of Environmental Quality public hearing

held April 23 at Romulus High School regarding the hazardous waste deep injection wells in Romulus, the Mayor was unable to make it a priority to remain until the conclusion. WHY?

Mary Barney, Romulus

### Crout Says Thanks

To the Editor:

I want to thank everyone who helped the "Helping Hand" (37510 Huron River Drive, Romulus) make it possible for our residents in need to have Easter dinner.

We had residents who donated hams, turkeys, and canned and boxed goods. A special thanks goes to the person who donated three hams. I also want to give thanks to Linda and Ken Choate, who made a monetary donation to Helping Hand. All donations were greatly appreciated.

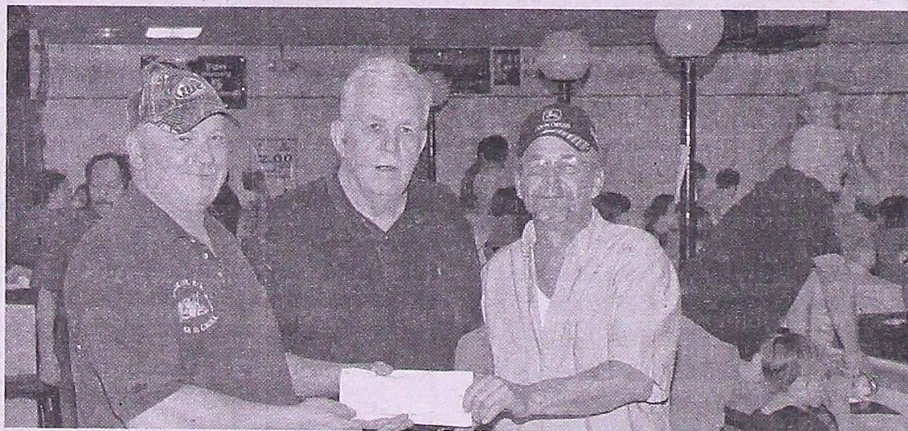

As the economy gets worse, there will be more residents needing help from Helping Hand. We need to work together to make sure that no family goes hungry. It will take continued support to make that possible.

Councilman Harry Crout, Romulus

I would like to thank all the residents who joined us at the public hearing on the hazardous waste wells. We still need your support to continue our fight to keep this facility closed. If you were not able to attend, you can still send your comments on the subject to the Michigan Department of Environmental Quality. Go to the City Web site – [www.romulusgov.com](http://www.romulusgov.com) – for more information.

Turning to brighter subjects, I would like to take this opportunity to:

- congratulate our Romulus High School Eagles boys' varsity basketball team. They made it to the state semifinals again this year. Our team is consistently among the best in Michigan, and makes us proud each and every year. Congratu-

lations to Coach Nate Oates and all team members!

- congratulate Reverend Art Willis, who won the Romulus Chamber's "Person of the Year" award. His work with the youth in our community is a testament to his dedication. Thank you, Reverend Willis, for your tireless devotion to our community.
- thank everyone who participated in the one-year anniversary celebration for the Romulus Athletic Center. Thanks, too, to all of the families who use our state-of-the-art recreational facility. No longer do we have to go outside the city for quality recreation.
- thank all who participated in the annual Easter Egg Hunt. A great time was had by all! □

## Taylor Police Defeat Firefighters in Charity Soccer Game for Food Pantry

Among those who teamed up to make a success of the charity soccer match between the Taylor police and fire departments were (from left) Connie Fedel of Fish & Loaves, Ignition players Mike Apple and Vahid Assapour, game organizer Bryan Cragg of Fish & Loaves, and Ignition players Leo Gibson and Danny Waltman. Photo by Dave Gorgon

With a final score of 6-1, Taylor police officers made it three straight wins in their series of indoor soccer games with Taylor firefighters at the Taylor Sportsplex on Saturday, April 25.

The game was a fund-raiser for the Fish & Loaves Community Food Pantry, which provides food for hungry people in Taylor and surrounding communities.

Corporal Joe Thivierge had two goals and an assist, and Patrolman Matt Edwards scored twice to lead the police team. Public Safety Officer Adam Carroll scored an unassisted goal and assisted on a goal by Corporal Frank Piche.

Goalkeeper Scott Wrenn of the Taylor Auxiliary Police assisted on one of Edwards' goals. Corporal Matt Minard also earned an assist.

Fire Medic Phil Mooney scored the only goal for the team in red, assisted by Sergeant Bill Curry.

Reverend Dr. Geoffrey Drutchas, president of Fish & Loaves, thanked the public safety officers for their participation.

"This is a fantastic event," said Reverend Drutchas, pastor of St. Paul United Church of Christ in Taylor. "It shows how the community and the members of the Taylor Fire Department and Police Department are willing to help families in need."

Connie Fedel, a member of the Fish & Loaves board and wife of Fire Chief Vince Fedel, said, "Every dollar we raise is three meals for one person. The kindness and gratitude of individuals, businesses, and corporations is what keeps the food on the shelves."

Organizer Bryan Cragg also thanked members of the Detroit Ignition professional indoor soccer team for their participation.

Ignition goalkeeper Danny Waltman – the most valuable player in the Xtreme Soccer League – and forward Mike Apple coached the firefighters. Forward Leo Gibson and midfielder Vahid Assapour coached the officers. They also signed autographs and posed for photos.

Members of the Ignition dance team sold 50/50 tickets. Mascot "Scorch" entertained the crowd.

The police officers and firefighters will meet again in competition on the softball field and in hockey at the Taylor Sportsplex.

## Don't Get Fooled on Economic Recovery Payment

By Rufus Gaston, Social Security Public Affairs Specialist in Metropolitan Detroit

If you're receiving Social Security or Supplemental Security Income (SSI) benefits, don't let anyone fool you regarding your special one-time recovery payment of \$250 from the *American Recovery and Reinvestment Act of 2009*.

To make sure no one does, let me state this as clearly as possible:

- All Social Security and SSI beneficiaries who are eligible for the special one-time recovery payment will have their payment issued in May.
- The payment is automatic; no action is required on your part.
- There are no requests to make, no applications to complete, and no fees to pay.

If you receive a visit, call, or email from anyone claiming to want to help you obtain your payment, be skeptical. Do not pay anyone to help you receive your payment. And do not reveal any of your personal information, such as your full name, date of birth, or Social Security number. If someone requests this information for this purpose, it's more likely that he or she is "out to get you" than out to get your payment for you.

In addition to people who receive Social Security and SSI benefits, people who receive benefits from Veterans Affairs and the Railroad Retirement Board will receive one-time payments of \$250. Note, however, that only one payment of \$250 will be made

per person, regardless of any combination of benefits that may be received.

How will your recovery payment be made? The same way that your regular monthly payments are made. People with direct deposit will receive their payments electronically. Those who receive paper checks will receive their payments in the mail. People who receive regular payments through the new *Direct Express* debit card will receive their one-time payments through the card. We will send your one-time payment separately from your Social Security or SSI benefit.

To assist in processing the payments as efficiently as possible, please do not contact Social Security – unless you have not received your payment by June 4. More information is now available at [www.socialsecurity.gov/payment](http://www.socialsecurity.gov/payment) and will be updated as needed.

Rest assured that your special one-time recovery payment will be sent to you automatically. And if it's not received by June 4, there's only one place you need to contact: Social Security, at your local office, or at 1-800-772-1213 (TTY 1-800-325-0778).

To learn more about the *American Recovery and Reinvestment Act of 2009*, visit [www.recovery.gov](http://www.recovery.gov).

To learn more about Social Security, visit [www.socialsecurity.gov](http://www.socialsecurity.gov).
